All bids must be in U.S. dollars. ESTIMATES GIVEN ARE FROM THE CURRENT SCOTT CATALOGS OR OUR ESTIMATE OF SELLING PRICE, they are NOT starting bids or reserve bids. Little or no gum is to be expected on 19th-century issues. Separation of some perfs in blocks of four or more is to be expected. Light soiling and minor flaws on older covers are to be expected. Grading terms such as VF, etc. refer to stamp centering only. All items are guaranteed genuine as described.

BIDDING WILL BE BY PROXY BIDDING, AS COMMONLY USED BY EBAY AND OTHER AUCTIONS. LOTS ARE PURCHASED FOR THE HIGHEST BIDDER AT THE NEXT REGULAR ADVANCE OVER THE SECOND HIGHEST BID. BID WITH CONFIDENCE.

TELEPHONE, FAX, AND EMAIL BIDS

The deadline for the receipt of bids is midnight U.S. Pacific Coast Time, on the closing date of the auction. A live person will be in our offices to provide you with opening bid information from 10:00 AM until 5:00 PM on both the closing date of the auction and the day before the closing date. During this period the opening bid (the next regular advance over the second highest bid) will most likely be available for your guidance. In fairness to all we DO NOT give out the highest bid. After 5 PM on the closing date of the auction you may still bid by phone (leaving a message on our answering machine) fax, or e-mail, all three until midnight, but no one will be in the office to assist you. Both our telephone and fax number is **909-804-0549**, email for auction bidding is: philstamps@yahoo.com. Note this is a NEW phone & fax number.
